HELLO!

I'm an independent, problem-solving student always looking for better ways to make bigger strides in my career. My teammates can count on me to get the job done right and keep everybody motivated towards our target. I enjoy creative projects that let me think outside the box for a unique end product. I'm a vital asset to any project that requires attention to detail, quick learning, and adaptability.

EDUCATION AND EXPERIENCE

Frontier STEM Academy

Senior

- AP Scholar with Distinction (Scored a 5 on Human Geography, World History, English Language and Composition, Biology, and Precalculus)
- Excellent Academic Record - 4.0 GPA

FSA Key Club
